Long-term expert (LTE 2, agribusiness specialist, m/f/d) in India

Project title:	„Deutsch-Indische Zusammenarbeit zur Entwicklung des Agrarmarktes“ (Indo-German Cooperation for the Development of the Agricultural Market)
Region of assignment:	India
Donor:	German Federal Ministry of Food and Agriculture (BMEL)
Duration:	05/2021 to 04/2024 (with an option to extend until 04/2025)
Status:	Tender

IAK Agrar Consulting GmbH is an independent agriculturally oriented consulting company that works on behalf of both public clients and private companies in Germany and abroad. The main business area of IAK Agrar Consulting GmbH is agricultural management consultancy which also includes consultancy for organisations, associations, municipalities and other administrations, and international cooperation. For donor organisations such as the EU, GIZ, the German Federal Ministry of Food and Agriculture (BMEL), KfW, the World Bank, the Asian Development Bank and the European Bank for Reconstruction and Development, IAK carries out projects worldwide with a focus on agriculture and rural development, but also advisory projects on agribusiness for private clients in Germany and abroad.

We are currently looking for the long-term expert (LTE 2) for the above-mentioned project tendered by the Federal Ministry of Food and Agriculture (BMEL).

Tasks of LTE 2

- Support with the conception and implementation of relevant analyses (under the leadership of LTE 1)
- Responsibility for the contents and methods in planning and implementing capacity building measures for agricultural marketing facilities and Farmer Producer Organisations (FPOs) in the project regions (under the leadership of LTE 1)
- Support with the external presentation of the project

Requirements/Qualification

Necessary minimum requirements / exclusion criteria to occupy the position:

- University degree (Master or equivalent)
- At least 5 years of professional experience
- Very good written and oral English language skills

Further (eligible) qualifications/experience which will be positively assessed

Professional background:

- University degree in Agribusiness, Marketing or related field
- Professional experience in the field of agribusiness or agricultural market development
- Experience in conducting value chain analyses
- Many years of experience (3 years or more) in organising and conducting trainings for government staff and/or farmer organisations
- Experience in organising and conducting forums, B2B meetings, study tours
- Experience in bilateral or international project cooperation

Regional expertise and language skills:

- At least 3 years of professional experience in India
- German language skills
- Hindi language skills
- Dravidian language skills

Methodological competences:

- Intercultural communication and networking skills
- Experience in politically sensitive contexts
- Experience in the field of impact-oriented monitoring

If you are interested in this assignment, please send your current and detailed CV to Ms. Stanimira Penkova: s.penkova@iagleipzig.de and Ms. Gantsetseg Ganbold: g.ganbold@iagleipzig.de **by 26.03.2021.**

Please understand that only eligible applicants can be contacted.
